Our YDH cities, like Vaughan, Markham and Pickering to name a few, offer amazing dining, theatre and retail experiences to satisfy your need for excitement.

Spend time with family, friends and loved ones making memories in York Durham Headwaters, and find out why we are your ultimate resorting destination.

There is no place like York Durham Headwaters for diversity of things to do and see. Satisfy your adrenaline rush with the thrills of Canada's Wonderland, our nation's premier amusement

park with the longest and fastest dive coaster in the world: Yukon Striker. Shop Vaughan Mills, Toronto's premium outlet mall, for some world-class retail therapy. If a slower pace and a bit of artisan creativity is more your style, our award-winning wineries and distilleries like Holland Marsh Wineries and Last Straw Distillery offer up tours and flavour combinations you simply must taste for yourself

to believe. Or tour our museums and galleries. Stop in at the McMichael Canadian Art Collection, the spiritual home of the famed Group of Seven, and visit the Leaskdale house where Lucy Maud Montgomery wrote many of her beloved works.

Your stay at one of our York Region resorts puts you in a prime location to experience all our region has to offer, with a luxurious night to look forward to at the end of your day of exploring. At Ramada Jackson's Point, on the shores of Lake Simcoe, your rustic, homestyle atmosphere awaits with delectable meals from the Lakeside Restaurant and Bar. Pamper yourself at Glo Spa, and experience lakeside events and watersports. Or, The Briars is one of Ontario's favourite golf resort and spa getaway experiences. This heritage lakeside resort is a refuge of relaxation and hospitality which boasts the championship Scottish Woodlands golf course, a full-service spa, and recreational programming. If you're looking for something truly unique, then Bare Oaks Resort is Ontario's premier family naturist park, where the entire family can enjoy traditional naturist values in a modern setting, along with recreational facilities and year-round amenities.

YORK DURHAM HEADWATERS

ONTARIO'S CENTRAL COUNTIES

Full of small-town charm, our quaint historic rural main streets await to satisfy your boutique shopping desires, not to mention those one-of-a-kind dining experiences for you foodie fanatics. Speaking of food, Headwaters is home to many of our best family farms who offer field to fork produce, meat, dairy, eggs and artisan products. Don't forget the winter fun. Snowshoeing is a fantastic way to get out into the great outdoors for some good snowy fun, as well as downhill skiing and snowboarding.

Turn your day into an overnight stay. For an adventure in Headwaters, we have two wonderful resorts you simply must check out. Hailed as a must-see facility by guests, Hockley Valley's 104 guestrooms allow you to experience extraordinary culinary creations in its onsite restaurant, and recharge in the resort's 8,000 square foot full-service spa. With its 18-hole championship golf course and its 16 scenic ski and snowboard runs for all levels, there is something for everyone, for all seasons. Renowned for its heritage as well as its world-class hospitality, the Millcroft Inn and Spa invites you to leave the city behind and nestle yourself into this scenic countryside escape. Refresh your senses with the Millcroft's on-site spa and hot spring pools, and luxuriate in the homemade tastes of the

iconic Headwaters Restaurant, with maple syrup and honey harvested from the property's on-site hives and sugarbush. Headwaters has acres to explore and is rich in small-town culture, so book your resort stay at the Millcroft or Hockley Valley to experience luxury at its finest.

GOLF LOVERS: STAY AND PLAY

If you long for the links, York Durham Headwaters is home to some of the best golf courses in Canada. Whichever resort you choose to book for your overnight stay, you are just a short drive away from internationally-known names like St. Andrews, Royal Ashburn and Angus Glen. Spend the day on the green, then head back to your resort for some much-deserved R & R with a dash of our unique YDH charm.

TEMPERANCE AND TEMPTATION

Craft beer, wine and spirits are booming in YDH! But did you know that our region was once rife with bootleggers and speak-easies? Experience the secret stories of Ontario's silent still, the Prohibition Era and the temperance movement in York Durham Headwaters. Take a self-guided journey back in time when the dry days of abstinence led to illicit thirsty nights filled with toe-tapping music, tasty food, hotsy-totsy dancing and plenty of giggle water. Your vehicle is your time machine, and our downloadable audio guide provides you with our rich Temperance and Temptation history as you traverse our region... with stops along the way for friends, food and libations, of course!

Bare Oaks Family Naturist Park

Year-round naturist park near Toronto where the entire family can experience traditional naturist values in a modern setting. Our varied landscape includes open spaces, forests, ponds, streams and a small lake. We also have many recreational facilities and amenities including a restaurant, shop, outdoor pool, saunas, a whirlpool, and much more. You can spend the day or stay overnight in a cabin, room, or campsite. Some might call us nudists. We prefer naturist because our creed is so much more than just taking your clothes off. We endeavour to live a more natural life and nudity is key to body acceptance and an integral part of our naturist philosophy.

Kawartha Northumberland

CREATE YOUR OWN ADVENTURE

Kawartha Northumberland combines the best of rural living with a vibrant arts and culture scene. Drive down lushly forested side roads or paddle the quiet waterways en route to your next regional experience, whether it's fine dining, a gallery tour, or a pastoral vista. Book a stay at one of our charming accommodations and you'll have plenty of options at your fingertips.

Seeking outdoor adventure? Visit Treetop Trekking Ganaraska, 2021 Attraction of the Year winner at the Ontario Tourism Choice Awards, and literally swing through the trees. If you prefer a more placid pace, Northumberland County Forest just outside Cobourg offers over 45km of hiking trail and a commanding view from the aptly named Lookout Mountain. For anyone whose tastes run towards the artistic, world-class performances are on offer at Westben's unique timber-frame barn performance space, in genres ranging from pop to classical.

Venture just a little further north to Peterborough and you'll have the chance to explore the Canadian Canoe Museum. There you can learn all about Canada's iconic craft—and if you're inspired to go boating yourself, the Trent-Severn Waterway winds through the entire region. This historic route links serene river passages, calm lakes, and lively small towns. Nine officially designated Trail Town communities along its length offer even more attractions and amenities. Rosedale, Coboconk, and Bobcaygeon are just three that teem with cozy cottage resorts, excellent fishing opportunities, and quiet places to put your feet up and watch the world go by.

This is just a sampling of the diversity of experiences in Kawartha Northumberland. From farm-to-table dining to mountain biking to boutique shopping, there's a little something for everyone in this beautiful, welcoming region.
