Great Escapes Magazine Launches Summer 2026 Issue Celebrating Ontario's Ultimate Resort Getaways

Ontario, Canada — March 16, 2026 — Great Escapes, the official digital magazine of Resorts of Ontario, is proud to announce the release of its [Spring/Summer 2026](#) issue, inviting readers to discover the diverse and unforgettable experiences that await at resort destinations across the province.

The new issue highlights the many ways travellers can enjoy an Ontario resort stay — from lakeside relaxation and family-friendly activities to culinary experiences, outdoor adventure, and wellness escapes. Featuring member resorts from across the province, the magazine serves as both inspiration and a practical guide for planning a summer getaway.

“At Resorts of Ontario, we know that every resort offers its own unique story and sense of place,” said Kerri Sass, Executive Director of Resorts of Ontario. “The Great Escapes Summer 2026 issue brings those stories together, showcasing the incredible variety of experiences available across our member resorts and helping travellers find the getaway that feels just right for them.”

Readers will find curated stories and features designed to help them explore the full spectrum of Ontario resort experiences. The issue includes guides to different types of resort stays, insights into what makes an Ontario all-inclusive vacation unique, and ideas for memorable summer activities that can be enjoyed during a resort getaway.

“Our goal with Great Escapes is to inspire people to explore Ontario's resort regions and experience the hospitality that our members are known for,” Sass added. “Summer is one of the most magical times to visit, when long days on the lake, great local food, and time outdoors come together to create unforgettable memories.”

Published by Resorts of Ontario, Great Escapes highlights the province's leading resort destinations and provides readers with ideas and inspiration for planning their next escape. The Spring/Summer 2026 issue is available online at resortsofontario.com.
